

## CONTENTS

### **INFORMATION SYSTEMS, NETWORKS AND TECHNOLOGY**

|  |    |
|--|----|
| <i>Basyuk T., Vasyluk A.</i> Search promotion of commercial internet resources .....   | 3  |
| <i>Tsmots I., Batyuk A., Yavorskyi A., Teslyuk T.</i> Monitoring system of technological processes<br>of Smart enterprise .....                        | 10 |
| <i>Bachynskyy R., Kupetskyy A.</i> Crypto-protection system of ble-based communication<br>channel for IoT devices and mobile computational device..... | 18 |
| <i>Bachynskyy R., Scherengovskyy O.</i> Geo-contextual service for operative news searching<br>and gathering with neural network using.....            | 25 |
| <i>Borodatyi P., Bun R.</i> Geoinformation technology for cloudiness analysis on the territory<br>of Western Ukraine using satellite images.....       | 31 |
| <i>Veres O., Kis Ya., Kugivchak V., Ryshniak I.</i> Selection of methods for searching<br>some or similar images .....                                 | 43 |
| <i>Tsegelyk G., Krasniuk R.</i> The problem of optimal tasks processing<br>in nodes of the distributed information system .....                        | 51 |
| <i>Dudykevych V., Mykytyn G., Rebets A.</i> The quintessence of information<br>security of a cyber-physical system.....                                | 58 |
| <i>Kravets P.</i> Game method of coalition formation in multi-agent systems .....  | 69 |

### **COMPUTER AND MATHEMATICAL LINGUISTICS**

|   |     |
|---|-----|
| <i>Hovorushchenko T., Medzatyi D., Semenyuk V.</i> Method for the formation<br>of the user's information portrait on the Internet .....   | 75  |
| <i>Kuzhiy L., Kharkhalis I., Khudyy A.</i> System construction of a dialogue between student and PC<br>on the basis of natural language exchange using the Java environment ..... | 81  |
| <i>Kaminsky R., Kunanets N., Pasichnyk V., Khudyy A.</i> Recovering gaps<br>in test results and identification of operator staff .....  | 92  |
| <i>Savkiv L.</i> File structure development for optimal visualization<br>of electromagnetic data for geophysical studies.....   | 105 |

### **PROGRAM AND PROJECT MANAGEMENT**

|   |     |
|---|-----|
| <i>Kuznietsova N., Bidyuk P.</i> Decision making system for financial markets' investment risk analysis ..... | 115 |
|---|-----|
